

The 49th JAIF ANNUAL CONFERENCE

APRIL 12-13, 2016 TOKYO INTERNATIONAL FORUM (HALL B7)

February 25, 2016

Japan Atomic Industrial Forum (JAIF) holds the “JAIF Annual Conference” each spring, a flagship event for the nuclear industry that attracts some 1000 nuclear experts and leaders from all over the world. The conference provides a great opportunity for sharing key matters affecting the development and use of energy and nuclear power, and offers a platform for networking among participants.

Participants at the 49th Conference will reconfirm the value of nuclear energy and demonstrate how to share their perspective on the value of nuclear power with the public, taking into consideration the challenges of global energy security and global warming.

Keynote Theme: “Energy for Us - Embracing Our Energy for a Better Future”
